

Upper Deschutes River Coalition

Healthy Fire-Resistant Forests

Clean & Abundant Rivers

Beneficial Wildlife Habitat

Our Mission "To protect the Upper Deschutes River communities by restoring and sustaining healthy fire-resistant forests, pure and abundant river flows, and wildlife habitat."

September 20, 2017

Friends of the UDRC,

We are raising \$5,000 in matching funds to receive our \$5,000 grant from the MCM Foundation in Bend. The MCM grant (our third year of a five year grant) will be used to hire contractors to chip biomass material on private lots south of Sunriver Resort.

The UDRC is inviting you to renew your support for our organization by the end of this tax year. The funds will be used to help reach our goal of \$5,000. We have until April 1, 2018 to reach our fund goal. Your support will also allow us to continue our efforts in protecting our neighborhoods from wildfire, keeping our rivers clean and in general, improving the quality of life in our region for everyone.

Following this letter is our 2016 Annual Report and 2017 Operations Plan. Our web site www.udrc.org contains more information on the Coalition including our income tax reports.

Sincerely,

Monte Dammarell, Chairman

Jerry Hubbard, Grant and Program Manager

2016 Annual Report and Proposed 2017 Operations Plan

VISION STATEMENT: *Community and partners aware of issues, engaged, collaborating and acting together to create and maintain a healthy, scenic and sustainable environment where everyone is able to live their core values.*

OUR MISSION: *To protect Upper Deschutes River Communities by restoring and sustaining healthy fire-resistant forests, pure and abundant river flows and wildlife habitat.*

PUBLIC and PRIVATE LANDS COMMITTEE

2016 Accomplishments

Work with Federal, County and Nonprofit Partners:

Worked with the FS on the Big River boat access parking expansion feasibility

Continued work with the Forest Service/UDRC on 2016 projects.

Issued Performance Report to FS as required by the UDRC/USFS five year agreement

Provided environmental review and comments on the FS Upper Deschutes WUI Fuels project

Provided the board and stakeholders with information on FS/BLM projects

Engaged the UDRC in the La Pine Basin Cohesive Strategy participation (300,000 acres)

Work with Communities

Completed spring cost share roadside chipping project on 13 lots on Indio in DRRH 1-5

Completed cost-share Fall roadside chipping program on 12 lots in Fall River Estates and DRRH 9 neighborhoods.

Helped connect larger lot owners with NRCS & ODF funding for defensible space work

Provided assistance on large lot fuels reduction project proposals with the County and ODF

Assisted Project Wildfire with coordination of ladder fuel chipping along community roads in May and June. Project Wildfire spent \$40,000 plus on roadside contractor chipping on Spring River, OWW1 and OWW11.

Coordinated with the FireFree biomass disposal event at the South County Transfer Station in May

Updated Bylaws to allow Officers as Board Members.

2017 Operations Plan

Work with Federal, County and Nonprofit Partners:

Continue with FS/UDRC on planning agreement projects.

By April 1, issue Performance Report to FS as required by the UDRC/USFS five year agreement

Implement fuel reduction work as required by the UDRC/USFS five year agreement
Provide the board and stakeholders with information on FS/BLM and Project Wildfire projects

Work with Communities

Encourage UDRC neighborhood participation in the Greater La Pine Basin Cohesive Strategy. For private and public lands, the GLB funding will be one of the bigger happenings in 2017. The funding can be funneled to neighborhood fuel reduction work through ODF, NRCS and the county. The UDRC will be key in both communicating to neighborhoods when money is available and perhaps coordinating some of the work.

Expand the roadside chipping program in UDRC communities

WATERSHED COMMITTEE

2016 Accomplishments

Completed the transfer of the Four Rivers SOLVE Project to Sunriver Nature Center management

Continued involvement with the Upper Deschutes Basin Study

www.usbr.gov/pn/studies/deschutes/index.html

Involve members with the Fall River fish study with Trout Unlimited

Continued UDRC support with the ODF&W fish tracking project aimed at improving fisheries

2017 Operations Plan

Continue involvement with the Upper Deschutes Basin Study

www.usbr.gov/pn/studies/deschutes/index.html

Communicate to the Board and stakeholders on the status of the various watershed projects.

Continue UDRC support with the ODF&W projects aimed at improving fisheries

EDUCATION, FUNDRAISING, ADMINISTRATION

2016 Accomplishments

Prepared 17 grant requests to support fuel reduction and other board approved programs

Awarded five year \$25,000 grant from the MCM Foundation for fuel reduction. Raised \$5,000 in matching funds and received \$5,000 in April 2016.

Awarded \$1,000 grant from Walmart and \$1,000 from the Sunriver Resort.

Hosted 2016 Annual Appreciation event and fund raiser at 1000 Trails in September. Raised \$3200.

Increased activity on UDRC's Facebook page with 25 likes

Updated and added new readers to the Mail Chimp e mail contact program

Maintained the UDRC's Website to improve communication to neighborhoods and stakeholders

Secured membership in Oregon Non-Profit Association

Continued membership in local Chambers of Commerce to increase exposure

Engaged all board members and stakeholders in increased participation in projects

2017 Operations Plan

Prepare 10 grant requests to support fuel reduction and other board approved programs

Raise \$5,000 from April 1, 2016 to April 1, 2017 to match MCM 2017 grant of \$5,000

Board to develop fund raising plan to fund basic operations and funds for fuel reduction

Board to establish committee to review the appreciation event to increase participation, etc.

Board to fill leadership team vacancies for the President and Secretary

Board to recruit more board members so the board is more involved in all UDRC sponsored activities

Discuss with the UDRC Board a board engagement project and seek suggestions on improving the UDRC
