Healthy Fire-Resistant Forests

Clean & Abundant Rivers

Beneficial Wildlife Habitat

Our Mission "To protect the Upper Deschutes River communities by restoring and sustaining healthy fire-resistant forests, pure and abundant river flows, and wildlife habitat."

February 10, 2018

Friends of the UDRC,

We are raising \$2,250 in matching funds to receive our \$5,000 grant from the MCM Foundation in Bend. The MCM grant (our 4th year of a five year grant) will be used to reimburse property owners south of Sunriver Resort who create defensible spaces around their homes. The UDRC reimburses owners 50% up to \$500 once they have paid a contractor for creating defensible space.

We have until June 1, 2018 to reach our fund goal. Your support will also allow us to continue our efforts in protecting our neighborhoods from wildfire, keeping our rivers clean and in general, improving the quality of life in our region for everyone.

Our web site www.udrc.org contains more information on the Coalition including our income tax reports.

Sincerely,

Monte Dammarell, Chairman

Jerry Hubbard, Grant and Program Manager
